STAAR Testing

- To prepare, make sure your child:
- Goes to bed early
- Eats a healthy breakfast
- Gets to school by 7:45am
- Is encouraged to do his/her best
- Has his /her glasses, if needed

Students will have a silent lunch without visitors to maintain a secure testing environment. No visitors will be allowed on campus for any grade level in accordance with STAAR security rules.

** Please avoid scheduling appointments that may prevent your child from being present for the entire school day.**

Kinder Graduation Photo will be taken on Wednesday, April 11th

SAY CHEESE!

Message from the nurse

Children do their best when they have a few simple things. A regular bedtime; enough sleep; wholesome foods' fresh air and exercise' regular medical, eye and dental check-ups; glasses if needed; and time spent with family and friends are the important factors in children being able to do their best in school.

Reminder to Parents:

If you wish to bring something for your child's birthday, please call in advance to make arrangements with your child's teacher. This is to ensure that valuable instructional time is not interrupted.

Thank you
